

Blue/Yellow Sweden — key facts

Since 2014, Blue/Yellow has stood with those defending Ukraine's freedom. The organisation delivers reconnaissance drones, vehicles, protective equipment, communications and medical supplies to Ukrainian units. All support is non-lethal, fully traceable and confirmed on receipt by the receiving unit.

Legal form: non-profit association (ideell förening)

Registration number: 802552-3724

Registered office: Nackagatan 4, Stockholm

Part of Blue/Yellow, founded in 2014 in Vilnius by Jonas Öhman, Jūratė Sližytė and Paulius Kijauskas

At a glance

- More than 1.3 billion SEK in support since 2014
- 95 öre of every donated krona reaches the front and other life-saving efforts
- More than 13,500 drones delivered
- More than 250 units supported
- Around 90 percent of procurement is done locally in Ukraine
- Delivery time 1 to 10 days

Recognition

- European Citizen's Prize 2022
- Forbes top 10 among Europe's aid organisations for Ukraine

What the support covers

Drone systems for reconnaissance and situational awareness. Vehicles for transport and evacuation. Optics for vision in harsh conditions. Communications for contact in exposed environments. Protection such as helmets and vests. Medical supplies and trauma care near the front.
